7) Évaluation de la séance et conclusion (15 mn)

Dear colleagues, dear friends

**DATE FOR YOUR DIARY: 13th Annual EVF Meeting, 28-30 June 2012, Florence, Italy**

It is a great pleasure to invite you to the 13th Congress of the European Venous Forum (EVF) in Florence, Italy, from Thursday 28 June to Saturday 30 June 2012.

The major aim of this meeting is to bring together clinicians and researchers working in the field of Phlebology and provide them an opportunity to present and discuss new data in this field. During EVF 2012 there will be a joint session with the Italian College of Phlebology that will be held on Thursday morning 28 June.

In the official program we will have didactic sessions, with excellent invited speakers that will enable you to update your knowledge about prevention and treatment of deep vein thrombosis, varicose vein, post thrombotic syndrome, venous leg ulcers and compression therapy. A very important part of the scientific program will be represented by the free paper sessions. For these sessions we would like to encourage all experts to send in abstracts in order to organize a very high quality scientific program and favor a friendly discussion on new data. For these reasons EVF 2012 will be one of the most interesting meetings in Europe on venous disease.

The venue for the meeting is Palazzo dei Congressi, in the center of Florence, very close (walking distance) to all the wonderful monuments of the town. At the conference you will meet colleagues and friends from all over Europe and overseas. The ballroom is surrounded by the exhibition area where you will have the opportunity to meet our sponsors and discover all new technologies recently introduced in Phlebology.

After the meeting it will be possible to enjoy a visit to all the spectacular monuments of Florence, from Palazzo Vecchio to Galleria degli Uffizi, from Piazza S. Maria Novella to Piazza del Duomo and Palazzo Pitti with all the collection of outstanding architectures, paintings and sculptures really widespread in the town. Last but not least you will have to opportunity to have a taste of the famous Italian cuisine and wine.

I look forward to welcome you to this high quality event and to the exciting and beautiful city of Florence.

Yours sincerely,

Giovanni Mosti
President-Elect
European Venous Forum

Andrew Nicolaides
Chairman
European Venous Forum
